

Bring your Cleats, your Sunscreen and your Advil!

The Winnipeg Touch Football League is pleased to announce the first Touch Football Tournament in Winnipeg since 2006 when the National Championships were held in Winnipeg. This will be the first local tournament in many years.

The WTFL Summer Tournament will be open to ALL teams from ALL leagues from ALL divisions.

ALL registration fees will go directly to Prize Money, Trophies and MVP Awards once costs are covered. That means the more teams that enter the greater the prize money! There will be prize money for all finalists and semi-finalists!

Never played in a tournament before? Don't miss out on the fun. Challenge yourself and your team and see how you stack up with competition from across the city.

Divisional alignment will make sure you will have competition at your level.

The Games will be "tournament time" (1 hour games) so that means fast paced games where every touchdown and every defensive stop makes a difference.

All teams are guaranteed a minimum of 3 games!
